Multi-role system with User functionalities.

## STRENGTHS

### Problem-solving

Strong problem-solving and analytical skills.

### Communication

Effective communication and teamwork abilities.

### Web Application Development

Proficient in developing scalable, secure, and user-friendly web applications.

### Adaptability

Adept at learning and adapting to new technologies and frameworks.

## KEY ACHIEVEMENTS

### National-Level Projects

Successfully developed the **Document Management System for Bangladesh National Parliament**, contributing to improved administrative efficiency.

### Code Quality Excellence

Maintained high code standards and reduced errors across **50+ projects**, utilizing Git version control and peer code reviews.

### Performance Optimization

Boosted software performance by 80% through rigorous testing, debugging, and optimization techniques.

### Successful Project Delivery

Delivered complex multi-role systems, such as **Inventory Management for Bangladesh Climate Change Trust** and **HR Payroll Systems** for the garments industry, on time and with excellent client satisfaction.

## EDUCATION

### Diploma in Computer Science and Technology

#### Rangpur Ideal Institute of Technology

01/2021 - 12/2023 Rangpur, Bangladesh

### Secondary School Certificate (SSC)

#### Sharifabad High School and College

01/2016 - 12/2018  
Kishoreganj, Nilphamari, Bangladesh

## CERTIFICATION

### Web Application Development with Laravel

European IT Solutions Institute.
